

**A & N ELECTRIC COOPERATIVE**  
Tasley, Virginia

**SCHEDULE "AST ORL"  
OUTDOOR RECREATIONAL LIGHTING RATE**

**AVAILABILITY**

Applies for service in the new service territory acquired from Delmarva Power and Light Co. by the Cooperative and is available to non-profit organizations and local governmental entities where at least 90% of the total connected load is used for outdoor recreational lighting.

**CONTRACT TERM AND BILLING**

Standard contracts are for an initial period of one (1) year with automatic month-to-month extensions until terminated. A contract for an initial period of more than one (1) year may be required if special investment by the Cooperative is necessary. Bills will be rendered monthly.

**MONTHLY RATE**

<u>SERVICE CLASSIFICATION</u>	SUMMER	WINTER
	Billing Months <u>June Through September</u>	Billing Months <u>October Through May</u>
<u>Delivery Service:</u>		
Customer Charge	\$6.48/Month	\$6.48/Month
Distribution Charge	\$0.012475/kWh	\$0.012475/kWh
<u>Energy Supply Service: (described below)</u>		
Transmission Rate	\$0.078483/kWh	\$0.078483/kWh

Note: The above Delivery Service charges apply to those Customers who have an Electricity Supplier, other than the Cooperative, as their energy provider. The above Delivery Service and Energy Supply Service charges apply to those Customers who have the Cooperative as their energy provider. The Energy Supply Service charges per kWh are based upon a currently estimated ANEC WPCA charge of \$.03783 per kWh. Should the actual ANEC WPCA charge applicable on the effective date of this tariff be less than \$.03783 per kWh, the Energy Supply Service charges per kWh shall be increased by the difference.

**ENERGY SUPPLY SERVICE**

Until such time that the Customer has the right to purchase its electric supply services from an Electricity Supplier, other than the Cooperative, the Cooperative shall provide the Cooperative's combined Electric Supply & Delivery Service, which includes the Energy Supply Service for the Customer. When the Customer has the right to select an Electricity Supplier and has not exercised that right, then the Cooperative shall be the electricity supplier and shall provide the Cooperative's combined Electric Supply & Delivery Service, which includes the Energy Supply Service for the Customer. If a Customer has purchased its electric supply services from an Electricity Supplier but wants to change suppliers, that Customer must follow the termination procedures provided in Appendix B of the Cooperative's Terms and Conditions, at part VI. B, for the Customer to have the Cooperative furnish its electric supply services, or to be eligible to be served by a different Electricity Supplier.

**MINIMUM BILLS**

The minimum monthly bill shall be the Customer Charge.

**WHOLESALE POWER COST ADJUSTMENT CLAUSE**

The Wholesale Power Cost Adjustment Clause, as set forth in the Cooperative's Terms and Conditions, shall apply to this rate schedule.

**TERMS AND CONDITIONS**

The Cooperative's Terms and Conditions for Providing Electric Service, as filed with the Virginia State Corporation Commission and as amended by Appendix E thereto, shall apply to service under this rate schedule.
